2. Payment in full is expected upon delivery unless credit has been established before delivery. Some items require a nonrefundable deposit.
3. Deliveries are made during our normal business hours. If you need special times for deliveries or pick-ups, please call our office.
4. Delivery charges vary depending on geographical area. If delivery is made outside of the immediate St. Louis area, an additional delivery charge will be added. Please call the office for those charges.
5. There is no credit for unused items once delivered.
6. You are responsible for the rental equipment while it is in your possession, ensuring its protection from weather, theft, and damage. Replacement charges will be incurred for damaged or missing items.
7. Our prices are for **ground floor delivery** during regular working hours. For deliveries other than ground floor, or after hours, please call for pricing.
8. We make every attempt to ensure the quality and reliability of the equipment we rent. If there is a problem with the equipment, please call our office.
9. Every effort is made to fill your order exactly as requested. If circumstances beyond our control prevent us from doing so, we reserve the right to upgrade the quality or find a substitute product.
10. All equipment is to be broken down for pick-up. For health purposes, china, glassware, flatware, and chafing dishes must be rinsed.
